

WHERE DO YOU STAND? STATEMENTS

1. In male/female relationships, guys should take the lead – they should do the asking out and the paying.
2. Age is not important if two people love and care about each other.
3. You should be finished with school and in a career before becoming a parent.
4. Two people should be in a healthy committed relationship such as marriage, and living in the same home before having children.
5. Having a child with someone shows that you really love them.
6. I have a better chance of being a good parent than of having a good marriage.
7. Once you're married you should stay married and not get a divorce.
8. Both the mother and the father should contribute to the financial support of their children.
