**FINAL JUDGMENT AND ORDER GRANTING PERMANENT INJUNCTION**

On the 12<sup>th</sup> day of February 2025, the court considered the State of Texas' ("State"), verified Second Amended Petition and Application for Permanent Injunctive Relief, Motion for Default Judgment, factual allegations, evidence, and arguments of counsel. The court finds that although the defendant was properly served; the defendant has not filed any answer or responsive pleading; has therefore defaulted and the factual allegations in the Plaintiff's Second Amended Petition are deemed admitted. The court also finds that the State continued to notify defendant by correspondence of the settings in this case and defendant still failed to appear. The court finds that the record reflects that Margaret Daley Carpenter, M.D.: (a) is not a resident of the State of Texas, but is a resident of the State of New York that has done business in Texas; (b) has not and does not maintain a regular place of business in the State of Texas; (c) has not maintained or designated an agent for service of process in the State of Texas; and (d) has been properly served with process, citation and petition, by certified mail, return receipt requested. Code § 174.8 by practicing medicine without a license and registration in the State of Texas and that the defendant has also violated Tex. Health & Safety Code § 170A.002 and that an unborn child died as a result of these violations and concludes that the State of Texas should have a judgment and a permanent injunction.

It is therefore, ordered that the State's request for civil penalties, fees, costs, attorney fees and a permanent injunction are hereby and in all things granted.

It is further ordered that plaintiff have and recover a \$100,000 civil penalty in accordance with Tex. Health & Safety Code § 170A.005, an award of \$12,400 in reasonable attorney fees, and \$819.59 in filing fees and costs from and against defendant Margaret Daley Carpenter, M.D. a/k/a Maggie Carpenter, M.D.

It is further ordered that the total amount of the judgment here rendered will bear post judgment interest at the rate of 7.50 percent from today's date until paid, in accordance with Tex. Fin. Code Ann. § 304.003(b),(c).

It is further ordered, that, Margaret Daley Carpenter, M.D. a/k/a Maggie Carpenter, M.D., Defendant, is hereby permanently enjoined from prescribing abortion-inducing drugs to Texas residents and shall not practice medicine in the State of Texas without a license and registration in the State of Texas.

It is further ordered that, Margaret Daley Carpenter, M.D. a/k/a Maggie Carpenter, M.D. is hereby expressly also permanently enjoined from any further violation of Texas Health & Safety Code §§ 170A.002 171.003, 171.0031, 171.063, Texas Occ.
