RE: Request for an Attorney General's Opinion regarding whether or not a county commissioner may receive a county commissioner's salary while employed as a public school administrator.

Dear General Cornyn:

I am respectfully requesting an Attorney General's Opinion concerning whether or not a county commissioner may receive a county commissioner's salary while employed as a public school administrator.

If the answer is "no", may the county commissioner waive his/her county commissioner's salary and continue to serve in this elected position at the same time he/she is employed as a public school administrator?

I appreciate your cooperation in responding to this request as soon as possible. Thank you for your courtesy and immediate attention to this matter.

Sincerely,
