Re: Request for OAG Opinion – University of Interscholastic League

Dear Opinion Committee:

As you are aware, the University Interscholastic League (UIL) provides educational extracurricular contests. In fulfilling this function, it focuses on ensuring fair competitions. UIL has received several complaints regarding its competitions and has realized a need for clarity regarding its authority and the meaning of certain laws. Please see the attached for the specific questions that need to be resolved. Given that these competitions are currently under way, resolution of these issues is time-sensitive, and expedited review would be appreciated.

Please let me know if there is anything else I may do to assist or explain in this matter.

Sincerely,

Mike Morath
Commissioner of Education
Texas Education Agency
